John Kent Cooke's Boxwood Winery announces the opening of the newest "The Tasting Room Wine Bar & Shop" in Wisconsin Place at the intersection of Wisconsin Avenue and Western Avenue in Chevy Chase Maryland.

The Tasting Rooms are unique wine bars where customers sample wines at European Enomatic machines or be served at a bar or table in a comfortable setting. Light fare of charcuterie, cheese plates, fruit and nuts are offered and wines can be purchased retail.

Boxwood Bordeaux style wines are featured along with imported red and white European wines many of which are made by internationally acclaimed consultant Stephane Derenoncourt who also advises Boxwood Winery.

The Chevy Chase store is the third to open in the greater Washington D C area. The other Tasting Rooms are in Reston Town Center and downtown Middleburg Virginia. The Chevy Chase store is open 11 am to 11 pm daily, telephone: 301-664-9494.
